R.C.D: GB-RMC48STG0101
Boat Safety: Valid until 27th of April 2025

DESCRIPTION

Sunflower is a much-loved 60ft semi-trad style narrowboat built by Reading Marina 2001 and enjoyed by the current owners since August 2015.

Originally a high spec boat, Sunflower offers both essential services and more advanced equipment too.

Designed as a long-term cruiser for extended adventures, Sunflower has Beta Marine 43Hp engine with 3.5Kw TravelPower, a Mastervolt 3.0Kw combi inverter-charger with EasyView touch-screen controls, Solar panels. Sunflower also has a Stovax Brunel solid fuel stove and Webasto ThermoTop-Evo diesel central heating system for comfortable winters too.

The interior of the boat is fitted in the conventional style of all Reading Marine boats; quality panelling with a hardwood trim and excellently implemented carpentry throughout.

Repainted in 2017 the exterior of the boat is in great condition and the hull has been blacked here at Aqueduct to keep the boats maintenance on track.

In summary, Sunflower is another great boat built by Reading Marine and maintained fastidiously by very caring owners.
